

#### 4.10.1 Introduction

Concentration of population of a geographic area depends on its economic generation. Economic factor helps to run rural and urban life. Mymensingh city is surrounded by a number of unions. Mymensingh town and these unions depend on each other by its economic generation.

#### 4.10.2 Methodology

Basic information and location of Hat and Bazar have been identified by using information of Union offices of different Unions. Questionnaire survey has been conducted for this study and data source are authority of Union Office.

#### 4.10.3 Survey Result

##### 4.10.3.1 Bhangnamari Union

Table 1: Agricultural Production of bhangamari union

SL	Product Name	Production (M. Ton)		Local market price		Local demand (M. Ton)
		2013	2008	2013	2008	
1	Boro	11650	11064	21,84,37,500/-	20,38,75,000/-	5000
2	Rupa amon	7375	6368	13,82,81,250/-	1,11,44,000/-	1500
3	Alu	490	390	34,30,000/-	27,30,000/-	100
4	Gom	130	70	27,85,714/-	15,00,000/-	-0.00
5	Sorisha	15	0.90	7,50,000/-	45,000/-	-0.00
6	Vegetable	6900	5140	11,04,00,000/-	8,22,40,000/-	300
7	Dal	68.2	60.00	34,10,000/-	30,00,000/-	-0.00

Table 1 is describing the market information of main agricultural products grown and having contribution in economy of local market of Bhangamari union. Table 1 show that, Boro is the product having highest production in 2013 and 2008. Boro has also highest market price and local demand. Ropa amon is also found with higher production by means of influential in local market economy.

Table 2: Information of Hat of Bhangamari union

SL	Name of Hat	Location	No of Operating Day	Name of Operating Day
1	<b>Bhangnamari</b>	<b>Bhangnamari</b>	2	Evening
2	Onnontho Bazaar	Onnontho Bazaar	2	Evening
3	Neater alge	Neater alge	2	Evening
4	Now <b>Bhanga</b>	Now <b>Bhanga</b>	2	Evening

According to table 2, each hat seats at evening and two days in a week in Bhangamari union.

Table 3: Information of Bazaar of Bhangamari union

SL	Name of Hat	Location	No of Operating	Name of Operating Day
----	-------------	----------	-----------------	-----------------------

			Day	
1	Onnontho Bazaar	Onnontho Bazaar	7	Moring-Evening

Only 1 Bazar is found in Bhangamari union which runs each day from morning to evening (Table 3).

Table 4: Revenue Collection of Bhangamari union

Type	No	Revenue
Shop	24	2,700/-
Rice Mil	4	2,000/-
Fertilizer Kitnashok	10	3,000/-

Table 4 is describing the information of revenue collection of Bhangamari union from shop, rice mill and fertilizer or pesticide. Revenue is mostly collected from fertilizer or pesticide.

#### 4.10.3.2 Khagdahar union

Table 5: Information of Hat of Khagdahar union

SL	Name of Hat	Location	No of Operating Day	Name of Operating Day
1	Bagon bari	<b>Khagdahar</b>	2	Evening

Only 1 Hat is found in Khagdohor union which runs 2 days in a week evening (Table 5).

Table 6: Information of Bazar of Khagdahar union

SL	Name of Hat	Location	No of Operating Day	Name of Operating Day
1	Bagon bari	<b>Khagdahar</b>	7	Evening
2	Taltala Bazaar	<b>Khagdahar</b>	7	Evening
3	Khagula Bazaar	<b>Khagdahar</b>	7	Moring

According to table 6, Bagon bari and taltola Bazar seats at evening and Khagula bazar seats at Morning. Each Bazar operates each day.

Table 7: Revenue Collection of Khagdaharunion

Type	No	Revenue
Shop	30	9,000/-
Fishery	10	5,000/-
Agree farm	8	4,000/-

Table 7 is describing the information of revenue collection of Khagdahar union from shop, fishery and agri farm. Revenue is mostly collected from shops.

#### 4.10.3.3 Bhabkhali union

Table 8: Information of Hat of Bhabkhali union

SL	Name of Hat	Location	No of Operating Day	Name of Operating Day
1	Chuirkhali bazar	Chuirkhali	2	Evening
2	Suteyakhali	Suteyakhali	2	Evening
3	<b>Bhabkhali</b>	<b>Bhabkhali</b>	2	Evening

According to table 8, each hat seats at evening and two days in a week in Bhabkhali union.

Table 9: Information of Bazar of Bhabkhali union

SL	Name of Hat	Location	No of Operating Day	Name of Operating Day
1	Chuirkhali bazar	Chuirkhali	7	Evening
2	Suteyakhali	Suteyakhali	7	Evening
3	Bhabkhali	Bhabkhali	7	Evening

According to table 9, each hat seats daily at evening in Bhabkhali union.

Table 10: Revenue Collection of Bhabkhali union

Type	Revenue
Shop	5,00,000/-
Business Jebikha	50,000/-
New Under Construction Building	25,000/-
Union Porished Esi	3,00,000/-
Others Transports	20,000/-

Table 10 is describing the information of revenue collection of Bhabkhali union from different sources. Revenue is mostly collected from shops followed by business jibika Esi.

#### 4.10.3.4 Char ishwaridia union

Table 11: Agricultural Production of Char Ishwardia union

SL	Product Name	Production (M. Ton)			Local market price			Local demand (M. Ton)
		2013	2008	2003	2013	2008	2003	
1	Buru rice	11,868	11,250		17,80,20,000/-	14,06,25,000/-		
2	Rupa amon	7,125	6,000		10,33,12,500/-	7,20,00,000/-		
3	Gom	125	100		27,50,000/-	20,00,000/-		
4	Soresha	120	100		48,00,000/-	35,00,000/-		
5	Alu	900	750		10,00,000/-	45,00,000/-		
6	Vegetables	3000	25,00		6,00,00,000/-	3,00,00,000/-		

Table 11 is describing the market information of main agricultural products grown and having contribution in economy of local market of CharIshwardia union. Table 11 show that, Boro is the product having highest production in 2013 and 2008. Boro has also highest market price and local demand. Ropa amon is also found with higher production by means of influential in local market economy.

Table 12: Information of Hat of Char Ishwardia union

SL	Name of Hat	Location	No of Operating Day	Name of Operating Day	Year wise revenue collection		
					2013	2008	2003
1	Shombugonj	Shombugonj	02	Evening			

In Char ishwardia, there is only one hat seating at evening on two days in a week (table 12).

Table 13: Information of Bazar of Char Ishwardia union

SL	Name of Hat	Location	No of Operating Day	Name of Operating Day	Year wise revenue collection		
					2013	2008	2003
1	Char bor bila	Ganginarpar	7	Moring			
2	Char khal bari	Char khal bari	7	Moring			
3	Mil gate bazaar	Mil gate bazaar	7	Moring-Evening			

According to table 13, Char bor bila and Char khal bari Bazar seats at morning and mill gate bazar seats from Morning-Evening. Each Bazar operates each day.

Table 14: Revenue Collection of Char Ishwardia union

Type	No	Revenue
House	2600	5,19,064.00/-
Power station	9	99,403.00/-
Brack Bank	1	25,000.00/-
Pully Power	1	10,000.00/-
Gas Office	1	28,125.00/-
Filing Station	2	20,000.00/-

Table 14 is describing the information of revenue collection of Char Ishwardia union from different sources. Revenue is mostly collected from shops followed by power station.

#### 4.10.3.5 Baera Union (Kewatkhali)

Table 15: Agricultural Production of Baera union

SL	Product Name	Production (M. Ton)			Local market price			Local demand (M. Ton)
		2013	2008	2003	2013	2008	2003	
1	Buru rice	5052	4508		7,57,80,000/-	7,66,36,000/-		2,500
2	Rupa amon	3685	3350		5,89,60,000/-	5,69,50,000/-		1000
3	Alu	225	220		27,00,000/-	26,40,000/-		0.00
4	Bagon	330	320		59,40,000/-	49,50,000/-		0.00
5	Tomatu	338	330		50,70,000/-	50,50,000/-		0.00
6	Soresha	5	5		1,20,000/-	1,20,000/-		0.00
7	Vegetable	250	240		30,00,000/-	28,80,000/-		0.00

Table 15 is describing the market information of main agricultural products grown and having contribution in economy of local market of Char Ishwardia union. Table 15 shows that, Boro is the product having highest production in 2013 and 2008. Boro has also highest market price and local demand. Ropa amon is also found with higher production by means of influential in local market economy.

Table 16: Information of Hat of Baera union

SL	Name of Hat	Location	No of Operating Day	Name of Operating Day	Year wise revenue collection		
					2013	2008	2003
1	Paglair Bazaar	<b>Baera Union</b>	3	Evening			
2	<b>Baera battolla</b>	<b>Baera Union</b>	3	Evening			

According to survey, two Hats seat at evening on 3 days in a week in Baera union (table 16).

Table 17: Information of Bazar of Baera union

SL	Name of Hat	Location	No of Operating Day	Name of Operating Day	Year wise revenue collection		
					2013	2008	2003
1	<b>Baera ses mour</b>	<b>Baera Union</b>	7	Moring			

Table 17 is displaying that, only one bazar is situated in Baera union which is operated in morning on each day of a week.

Table 18: Revenue Collection of Baera union

Type	No	Revenue
Shop	300	87,700/-
House	2531	1,07,500/-
CNG Station	4	20,000/-
Gas office	1	10,000/-
Begum Rukeya	1	8,000/-

Table 18 is describing the information of revenue collection of Baera union from different sources. Revenue is mostly collected from houses followed by power shops.

#### 4.10.3.6 Char Nilakshmia Union

Table 19: Agricultural Production of Char Nilakshmia union

SL	Product Name	Production (M. Ton)			Local market price			Local demand (M. Ton)
		2013	2008	2003	2013	2008	2003	
1	Buru rice	13125	1200		1,05,00,000/-	1,02,00,000/-		8000
2	Rupa amon	1200	1200		900000/-	900000/-		8000
3	Vegetable	25	23		375000/-	340000/-		9
4	Alu	1400	1400		1,40,00,000/-	1,40,00,000/-		500
5	Gom	5	4		1,25,000/-	1,20,000/-		-20.00

Table 19 is describing the market information of main agricultural products grown and having contribution in economy of local market of Char Nilakshmia union. Table 19 shows that, Boro is the product having highest production in 2013 and 2008. Boro has also highest market price and local demand. Alu is also found with higher production by means of influential in local market economy.

Table 20: Information of Hat of Char Nilakshmia union

SL	Name of Hat	Location	No of Operating Day	Name of Operating Day	Year wise revenue collection		
					2013	2008	2003
1	Shombugonj	Shombugonj	2	Evening			
2	Ragonj	Mymensingh	2	Evening			
3	Sahib Khachari	Sahib Khachari	2	Evening			

According to survey, three Hats seat at evening on 2 days in a week in Baera union (table 20).

Table 21: Information of Bazar of Char Nilakshmia union

SL	Name of Hat	Location	No of Operating Day	Name of Operating Day	Year wise revenue collection		
					2013	2008	2003
1	Shombugonj	Shombugonj	7	Moring-Evening
